Pastor Rich Hamlin and his wife Lyn will be with us this year as well as Ben Edwards and my wife Kim, as we teach through A Biblical Perspective on Gender: *God's Design for Men and Women* in our spring conference. We are anticipating 200 – 250 pastors and church leaders, along with their wives in attendance. After the conference, the rest of the team will fly back to the US and I will be headed to Turkana to deliver famine relief supplies and audio bibles, finish a church construction in Lokori, and visit several more churches in Turkana.
